SOUTH AFRICAN ORACLE USER GROUP (SAOUG)

(Association incorporated under Section 21)

Company Registration Number: 1999/021964/08, VAT Number: 4460206297

Established in 1996, the SAOUG is a non-profit organisation that serves to protect the interests of the greater Oracle Community.

Looking at the various Oracle acquisitions, the SAOUG is focussing on the various value added benefits these acquisitions mean to our stakeholders in greater Oracle community. Our stakeholders includes the following: Oracle Corporation and their customers, suppliers, implementers and users.

Membership to the SAOUG provides the opportunity to enhance your skill set and organisational technical advantage by attending our numerous events, gaining access to a network of peers for collaboration and information exchange; and to voice opinions to Oracle about products, services and policies. We are a forum that facilitates communication amongst some + 7,000 Users of Oracle products and services in South Africa.
